## NOTICE TO THE MARKET

### **ANEEL Approves the Final Results for CEMAR's 2<sup>nd</sup> Periodic Tariff Review**

São Luis, August 25, 2009 – Equatorial Energia S.A. and Cia. Energética do Maranhão –CEMAR inform the market and the general public that the *Agência Nacional de Energia Elétrica* (“ANEEL”), at a public Board Meeting held today, approved the final results for CEMAR's 2<sup>nd</sup> Periodic Tariff Review of -11.03% covering the period between August 29, 2009 and August 28, 2013.

Considering the financial components, related to the recovery of past differences on the tariff and the pass-through of the differed tariff review, the average impact on customer's tariff is a decrease of 1.64%.

The readjustment proposed is the main outcome from the tariff review process and is a consequence of the setting, by ANEEL, of the efficient operating costs, through the Reference Company methodology, of the prudent investments, through the Regulatory Asset Base and the recognition of the non-manageable costs, also known as Parcel A.

Additionally, ANEEL established the X Factor to be applied in the company's tariff as of the next tariff readjustment in 1.06%.
